YOUTH ADVISORY
COUNCIL WEST TAMAR

You deserve to celebrate!

West Tamar Partysafe gives you the opportunity to utilise the skills, services and experiences of inspired speakers that encourage you to make positive choices, increase your awareness and to empower you to shape today's party culture into a positive and uplifting environment.

A great experience stems from making great choices. If you have any concerns about the safety of yourself or someone else at a party, make the right call early and seek the necessary help.

Partysafe Facts

Hosting a party? You must obtain permission from each responsible adult of the young people before any alcohol is consumed.

Australians are drinking less frequently than 20 years ago!

Services such as Headspace and Family Planning Tasmania are confidential for young people.

ONLY 1 IN 12 YOUNG PEOPLE HAVE USED CANNABIS.

Chlamydia is the most common sexually transmitted infection in young Australians.

THE ONLY CURE FOR A HANGOVER IS TIME. IT TAKES APPROXIMATELY 1.5 HOURS TO PROCESS ONE STANDARD DRINK.
