Good afternoon FDP Athletes and Families,

Congratulations to the following regions who have qualified for the upcoming U14 National Club Championships:

Boys

- U14 North West
- U14 North

Girls

- U14 North West
- U14 North

Please find attached the team list of selected athletes for the qualifying U14 FDP Team. This team will represent Basketball Tasmania at the U14 National Club Championships.

The competition is to be held in Sydney from 25 September 2022 to 30 September 2022. Reserve athletes will not attend the Championships, but are invited to attend all practice sessions in the lead up to the tournament.

Further information regarding training times, travel logistics, costings etc will be sent out to selected athletes via email in due course.

We require all selected athletes to confirm acceptance or otherwise of their position, by return email to Charlotte Collins – charlotte.collins@basketballtas.com.au

Congratulations to all athletes and we wish you well in the lead up to this event.

Should you have any questions in relation to your position, please do not hesitate to contact :

Nic Martin, State Head Coach - nic.martin@basketballtas.com.au

Kind Regards,

Charlotte Collins

To Whom it May Concern

Basketball Tasmania is sending the following teams to the Under 14 National Club Championships to be held in Penrith & Castle Hill, Sydney from 25 September to 30 September 2022:

Female Competition

- Northern Tasmania
- Northwest Tasmania

Male Competition

- Northern Tasmania
- Northwest Tasmania

Team Officials and families are conducting a fundraising and sponsorship program to assist the athletes in meeting their financial commitments as members of the Tasmanian teams competing.

Athletes are required to pay for their own expenses as well as contributing towards preparation costs and other common team expenses during the week of the Championship. The support we receive from Local Businesses and organisations by way of donations, grants and offers of sponsorship for our fundraising program are of great assistance to ensure that individual team members can cover costs to attend these Championships.

Further information regarding the program from which these athletes are selected follows this letter.

Basketball Tasmania supports the Team Officials and athletes in their fundraising endeavors, and are happy to provide endorsement with this letter, or alternatively, I can be contacted on 0403 037 662 should further information be required.

From the athletes, families and staff of Basketball Tasmania, please accept this letter as our sincere thanks for your support, for any contribution or offer of assistance that is made towards this development experience for the athletes.

Yours sincerely

C Collins

Basketball Tasmania Future Development Program

The Basketball Tasmania Future Development Program (FDP) was started in 2014 to ensure our athletes are developing from a younger age to progress them in our sport and to advance their skills in preparation for the State Development Program (SDP) when they turn 14.

The FDP is 'selective', but it will work with increased numbers to develop boys and girls in each region of our state between the ages of 10 and 13 (your age at 31 December).

The FDP operates in the three separate regions with the next program starting in August 2021 and concluding in June 2022.

The aim of the FDP is to identify and select basketball athletes with future potential and develop their individual skills, mental skills and team concepts which will aid them to develop successfully in future levels.

Future Development athletes will receive 1 x 1.5-hour squad session each week in school terms in the regions (boys and girls separate) and 3 x 1-day camps over the 12 months.

Tasmania sends two boys and two girl's teams to the Australian Club Championships that are held annually. In 2022 the players, teams and staff representing Tasmania at these championships will come from the Future Development Program.

In 2022 the representing teams will be the Under 14 North West Tasmania Boys, Under 14 Northern Tasmania Boys, Under 14 North West Girls, and Under 14 Northern Tasmania Girls.

Once the teams to represent Tasmania have been selected team preparation will occur similar to pre tri series. Players will complete one FDP session weekly under the guidance of Basketball Tasmania staff and appointed Head Coaches and Assistant Coaches will continue to attend.

Not to extend past 60 hours of total team practice prior to the Australian Club Championships (These hours do not reflect on court play as part of a tournament but do relate to team and squad practice)

- Practice time on court should be in a ratio of 2 hours on: 1 hours off and 1:5 hours on: 30 minutes off
- Focus on team concepts - offence, defense, transition, special situations
- Head Coach, Assistant Coach and Manager to be in attendance and plan, prepare and deliver the session
- Costs for these sessions are covered through player contributions separate to the FDP program payment
