To Whom it May Concern

Basketball Tasmania sent the following athlete to the U16 Australian Junior State Championships held in Warwick Perth from 30 June to 10 July 2023

The following athlete is part of the U16 Boys Squad:

Campbell Waterhouse of 18 Riverside Drive, RIVERSIDE 7250

Team Officials and families are conducting a fundraising and sponsorship program to assist the athletes in meeting their financial commitments as members of the Tasmanian teams competing.

Athletes are required to pay for their own expenses as well as contributing towards preparation costs and other common team expenses during the week of the Championship.

The support we receive from Local Businesses and organisations by way of donations, grants and offers of sponsorship for our fundraising program are of great assistance to ensure that individual team members can cover costs to attend these Championships.

Basketball Tasmania supports the Team Officials and athletes in their fundraising endeavours, and are happy to provide endorsement with this letter, or alternatively, I can be contacted on 0403 037 662 should further information be required.

From the athletes, families and staff of Basketball Tasmania, please accept this letter as our sincere thanks for your support, for any contribution or offer of assistance that is made towards this development experience for the athletes.

Yours sincerely

Charlotte Collins
