Hi Nino and Tina,

Lovely to see you today.

Congratulations on your race at Bridport.

I have received confirmation that you have competently completed your draft legal assessment and would like to congratulate also on being selected to represent Tasmania at the School Sport Australia Triathlon Championships in Western Australia.

Please let me know if you would like to except this offer so that the uniform can be ordered by end of day tomorrow.

Congratulations again,

Regards,

Hi Tina,

I hope you had a lovely Christmas and New Year!

There isn't anywhere in particular to stay.

I will come back to you soon about the uniform order, I am just waiting to hear back from Scody.

Have a great day.

Hi Shellie,

I'm just looking into accommodation for this at Rockingham as I have heard that it will sell out... I just wanted to check - is there somewhere in particular that the team stays? Or is it just wherever we can find accommodation?

Thanks for your time.

Warm regards,

Tina Ciezki

Hi Shellie,

Sorry for my late reply... I have been trying to work out how serious my son is about committing to this, as obviously it will be a big expense if he goes ahead. He does seem fairly keen. I would probably like to wait and see how Bridport triathlon goes before fully committing - is that possible? Is there a specific cut off date?

He should be available for the Longford drafting day, however he would definitely need some assistance as he has not drafted before.

Let me know if you need anything from me at this stage.

Thanks very much,

Tina Ciezki

Good afternoon Tina and Nino,

Thank you for expressing your interest in participating in the School Sport Australia Triathlon Championships in Western Australia.

To be considered for selection to represent Tasmania at this event, it is pre-requisite to receive draft legal endorsement for as the event is a draft legal competition. To assist with this requirement, our development coaches have made themselves available on 10th January 2025, from 12 PM to 1 PM. We are planning to hold this assessment at the Longford cycling track and are currently awaiting confirmation on availability of the venue.

In the meantime, Dave Herbig has generously offered to assist in enhancing your child's skills in preparation for the assessment. If you are interested in this opportunity, please reach out to Dave for further discussion.

David Herbig E: dherbig@bigpond.net.au or PH: 0419637218

Additionally, I would appreciate it if you could inform me of your intentions regarding the offer to represent the state, conditional of achieving competency at the draft-legal assessment. This year, state representatives will be accompanied by a parent or support person rather than the team environment.

For your convenience, I have attached the event schedule. Please note that there is an entry fee (the entire cost of the running the event divided by the number of competitors) of hopefully under \$500 that is invoiced prior to attending in March. Additionally, a state uniform is required, which is purchased from the online shop prior to 13th January 2025.

I look forward to hearing from you regarding your or your child's intentions.

Best regards,
