In the next e-mail I will send you the invoice/bill. You can pay by **Bank Transfer**:

ACCOMMODATION

You have been allocated to our standard accommodation.

Accommodation is across several student halls of residences and one 4* hotel. You will be sharing a room with other LIYSF participants of the same gender. Standard accommodation is in the student accommodation of the University, educational organisations and a good quality hostel (that is right next to Imperial). Many rooms are twin rooms, but we also use three-, four- and six-person shared rooms. Bathrooms are typically shared, single gender facilities in the residences. If you wish to guarantee your accommodation in the 4* hotel in a twin room with a private bathroom, then you must pay a supplement, also if you prefer a single room. Contact us to add this supplement before 1st May.

DATES

LIYSF 2025 will be held 23th July to 6th August 2023.

The 23rd July is an arrivals day, you should try to get a flight arriving before 4pm to London (Heathrow is the easiest). However, it is still ok if you arrive later in the day. We can offer accommodation (at extra

cost) for 22nd – for example if flights arrive very late in the evening/night, it's a good idea to come a day earlier.

The 6th August is our departure day, you are free to leave at any time on this day. You must check out from your bedroom before 10am, but bags can be left in the bag store if you wish to leave later.

We require students to complete registration information for attending LIYSF. Please keep these details safe as you will need them to log-in.

Things to note:

- You need to complete the essential information the first time and save, but you can come back to our portal and finish your information later, for example; presenting a project or arrival flight info. It's ok if you don't know some of the information to complete the form, but you should try and fill in as many of the questions as possible now.
- Please note medical and dietary fields can only be submitted once
- We require all fields to be completed by 22nd June.

If you will be aged under 18 years when LIYSF starts (23rd July 2025), then we require your parents to sign the attached parent consent form. Please if you can return this to us as soon as possible, and at least 6 weeks before LIYSF starts – consent form attached to this e-mail. For your reference our student protection policy can be found at the end of our terms and conditions and applies to all students. Please do complete your travel schedule information in your profile when you have this booked.

VISA

It is your responsibility to check whether you need a visa to visit the UK and make the necessary arrangements. You just need to apply for a GENERAL TOURIST/STANDARD VISITOR VISA to attend. Please check this in good time and at least three months before travel. We can support their application and provide them with a confirmation letter of their place at LIYSF to submit with their application. Please contact us for this. You can see more information about UK visas: <https://www.gov.uk/uk-border-control/before-you-leave-for-the-uk>

INSURANCE AND FLIGHTS

We require all students to ensure that they have appropriate travel/medical insurance for their trip to London - this is not included in the participation fee. Travel insurance is particularly vital to ensure you are covered if you require any medical attention but is also useful to protect you in case of a problem whilst travelling.
