Dear Meg,

2024 McIntyre Region Japan Trip Selection

On behalf of the Contingent leaders, I would like to congratulate you on being selected to represent McIntyre Region Girl Guides on the upcoming Japan cultural exchange trip!

A total of seven youth (18 and younger) members have been selected based on the merits of the written application and interview process. They are:

McKenna Smith	Charlotte Ball
Ella Berends	Renee Duxbury
Meg Rickerby	Emma Barnes
Ruby Ball	

McIntyre Region has had an affiliation with Girls Scouts Japan (in particular Launceston's Sister City Ikeda and Tokyo Troop 71) for over 25 years.

The 2024 McIntyre Region Japan Trip will take place January 2nd – 18th 2024. The final itinerary will be sent out soon as well as the payment structure for the trip and other important information.

You will receive an email invitation with a password from Girl Guides Australia in the coming weeks to join the GGA International Database. This is where you will upload your personal details including medical and passport details and will be able to access and update these details up until we leave.

If you haven't already, you will need to apply for a passport in the coming weeks so flights can be booked late August, early September.

Please keep an eye out for further correspondence and again congratulations, we hope you are as excited as we are!

Kind Regards,

Carey-Lee Richards,
Contingent Leader, McIntyre Region Girl Guides Japan Trip
