Re: National Youth Championships

Dear Ryan,

It is with great pleasure that I officially advise you of your selection into the Touch Football Tasmania Boys' Under 18 Team to compete at the 2021 National Youth Championships. The Championships will be held at Sunshine Coast Stadium Precinct, Kawana Waters, from 29th September to 2nd October.

It is a fantastic honour and opportunity to represent Tasmania at the highest level of the sport. I know you will carry yourself with respect and professionalism and continue to maintain the strong culture of Touch Football in the state.

Details of the training schedule will be communicated to you by the coach, and also final costs, including uniforms and team fees will be advised as soon as possible. The initial deposit of \$250 is payable by 2 July and serve as acceptance of your place in the team. The process for paying this is to register on MySideline into the team "Tasmania Thunder NYC 2021 Deposit". Accommodation for the Boys Under 18 team will be at Joanne Apartments Caloundra.

Uniform orders can be completed using this link: <https://www.surveymonkey.com/r/F2SZQ8L>
Players who purchased uniform items last year will be able to use them again. Players who did not purchase uniforms last year will need new kit. Compulsory items are playing singlet, shorts/tights, socks, off field polo and casual shorts. Optional items include hoodies, training singlets, hats, backpacks and trackies. Please ensure uniform orders are completed no later than Wednesday 23 June.

We intend to conduct a Jersey Presentation Function at Wentworth Park Howrah on Saturday 4th September. More information about this event will come out in August. Please keep the date free for a late afternoon function.

There is also a requirement this year that all players in the under 18 teams be a qualified level 1 referee by the time the summer season begins. We will be running a course on 18 July, and anyone who is not yet qualified will need to attend either this course, or be enrolled for a level 1 course being run by affiliates in September or October prior to attending NYC. This qualification will improve your understanding of the game, and also provide you with an opportunity to earn a small income to offset the cost of travel for future events. If you already have a qualification, please confirm that it can be found on the Nest (touchfootball.etrainu.com).

Once again congratulations on your selection and I look forward to seeing you through the training period and at the tournament.

Kind Regards,

Des Fogarty
State Operations Coordinator
Tour Leader
