Athletes pay for their own expenses as well as contributing towards preparation costs and other common team expenses during the week of the Championship.

The support received from local businesses and organisations with donations, grants and sponsorship greatly assists team members to cover costs to attend these Championships.

Basketball Tasmania supports the Team Officials and athletes with their fundraising ventures and provide endorsement with this letter.

Should you require further information regarding these fundraising activities, please contact Kylie French – Finance and HR Manager for Basketball Tasmania on 0488 112 175.

Thank you for your support, for any contribution towards this National experience for the athletes.

Yours sincerely
